

CURRICULUM VITAE

Name: Leonard Marshall Lauriault

Address: New Mexico State University Agricultural Science Center
6502 Quay Rd. AM.5
Tucumcari, NM 88401
Telephone numbers: Voice: (575) 461-1620, FAX: (505) 461-1631
E-mail: lmlaur@ad.nmsu.edu

Education: M.S. in Crop Science, University of Kentucky, Lexington, KY. May 1989.
Thesis: The effect of thiamin supplementation on the ingestive behavior of beef cattle grazing endophyte-infected tall fescue.

B.S. in Agriculture, Berea College, Berea, KY. May 1980.

Employment Record:

Forage Crop Management Scientist and Superintendent of the Agricultural Science Center at Tucumcari (since July 2012). College Professor, July 2009 to Present; College Associate Professor, July 2004 to June 2009; College Assistant Professor, January 2002 to June 2004; Agricultural Science Specialist, January 1997 to December 2001. New Mexico State University College of Agricultural, Consumer and Environmental Sciences Department of Plant and Environmental Sciences. Las Cruces, NM.
Research Specialist, Forage Cultivar Evaluationist. July 1990 to December 1996. University of Kentucky College of Agriculture Department of Agronomy, Lexington, KY.
Area Regulatory Specialist. November 1989 to July 1990. University of Kentucky College of Agriculture Division of Regulatory Services, Lexington, KY.
Principal Laboratory Technician, Forage Management and Utilization. October 1980 to November 1989. University of Kentucky College of Agriculture Department of Agronomy, Lexington, KY.
Teaching and Field Assistant, Soil and Plant Science Laboratory and Berea College Forest. February 1978 to May 1980. Berea College Labor Program. Berea College Department of Agriculture, Berea, KY.

Awards and Honors:

Charles Tharp Farms Distinguished Service Award, New Mexico State University College of Agricultural, Consumer and Environmental Sciences, 2014
Extension Advocate Award, New Mexico State University Extension Specialists Association, 2011
Editors' Citation for Excellence in Manuscript Review, American Society of Agronomy, 2006
Constancia por la exposicion de la Conferencia Magistral, XXV Congreso Nacional de Control Biologico, La Sociedad Mexicana de Control Biologico, November 15, 2002
Conservation Service Award, New Mexico Area Conservation Districts, Region V, 1998
Conservationist Award, Canadian River Soil and Water Conservation District, 1998
A. Paul Nestor Employee Creativity Award, Finalist, University of Kentucky, 1995

Professional Societies:

American Society of Agronomy, 2000 to present
American Forage and Grassland Council, 1990 to present, Certified Forage and Grassland Professional
Crop Science Society of America, 2005 to present

Western Society of Crop Science, 2007 to present, Secretary/treasurer (2007-2009), President-Elect (2008-2009), President (2009-2011), Past-President (2011-2013)
New Mexico Hay Association, 1997 to present, Ex-officio Director

Publications and Presentations since coming to New Mexico State University:

Refereed Journal Articles
